Firmamız 1998 yılında Ersoy Makine olarak faaliyetlerine başlamış olup 2005 yılında kurumsallaşarak **HİDROSOY MAKİNA** ismiyle hidrolik delici, yedek parça imalatına başlamıştır.

HİDROSOY MAKİNA bugün ve gelecekte, sahip olduğu geniş ürün yelpazeyle, müşterilerimizin beklentilerini istikrarlı kalite anlayışı ile karşılayarak değer yaratmayı esas almıştır. Kurumsal yapımız, müşteri odaklı çalışma stratejimiz ve rekabetçi büyüme potansiyelimiz ile "en iyi" şekilde değerleri yönetmektedir.

Sürekli iyileştirme ve geliştirmeye dayalı sistemimizde, yüksek ürün kalitemiz, uygun fiyat politikamız, uzman ve deneyimli personelimiz, sahip olduğumuz ileri teknoloji ile müşteri portföyümüzü ve ürün yelpazemizi piyasanın talepleri doğrultusunda genişlemektedir.

HİDROSOY ürünleri; ülke genelinde 80 şehirde yaklaşık 500 firmanın yanı sıra 3 kıtada 10 ülkede kullanılmaktadır.

Our company started its activities in 1998 as Ersoy Makine. After institutionalization process in 2005 we began to produce spare parts for hydraulic drills and rock drifters under the name of **HİDROSOY MAKİNA**.

Today and in future, by producing wide range of products **HİDROSOY MAKİNA** is aimed to create a value by meeting customer expectations based on constant quality understanding. Our corporate structure, customer-focused strategy and competitive growth potential lead to "the best" way of management.

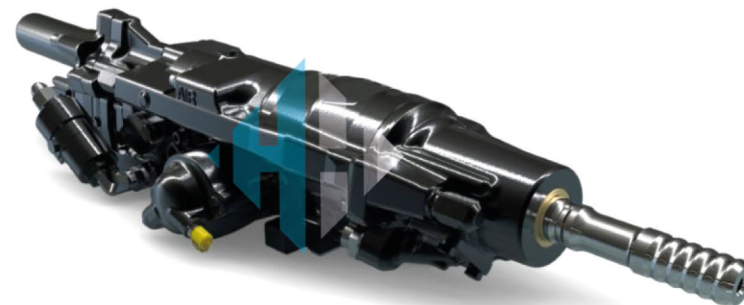

Our company expands according to market demands by continuous improvement, high product quality, reasonable price policy, expert and experienced personnel, and advanced technology.

HİDROSOY MAKİNA supplies its products to 500 companies in 80 cities in Turkey as well as successfully exports to more than 10 countries in 3 continents.
